Send assessment invitation(s) to the whole list

If your participants have to be tested in several languages, repeat the above instructions for each group of participants/languages.

When participants don't take the assessment within the deadline, their access to OLS is deactivated and the licence automatically returns to your remaining assessment licences.

3.2 How to modify/cancel an invitation and reinvite participants

When invitations are sent, they cannot be edited or modified. If you need to modify or cancel an invitation, please follow these **step-by-step instructions**.

Licences can be cancelled provided that the participant(s) haven't started the language assessment yet. Licences that have been cancelled will automatically return in your remaining assessment licences.

To cancel the invitation(s), you need to enter the email address(es) of the participant(s) that need to be cancelled in the invitation box and click on **"Validate emails"**.

Add new participants

Please write here the new participants' email addresses for a given assessment language, separated by ";" or " ".

The screenshot shows the 'Add new participants' form. The 'Emails' field contains 'example1@domain.com, example2@domain.com'. The 'Validate emails' button is highlighted with a red arrow. The 'Count' is 0 mail. The 'Language to test' is English. The 'Deadline to take the test' is months +1. A button 'Send assessment invitation(s) to the whole list' is at the bottom.

A pop-up will appear notifying that this/these email address(es) has/have already received a language assessment licence and will ask you if you want to cancel the invitation.

Add new participants

Please write here the new participants' email addresses for a given assessment language, separated by ";" or " ".

The screenshot shows the 'Add new participants' form with a pop-up dialog. The dialog contains the text: 'Following email(s) already received a licence but the language assessment has not been started yet. Do you want to cancel the previous invitation(s)? (You will have to click on "Validate emails" to be able to send the new invitation(s))'. It lists the email addresses 'example1@domain.com' and 'example2@domain.com' with checkboxes. There are buttons 'Cancel invitation(s)' and 'Remove'. A checkbox 'Check all emails' is also present. The background form shows the 'Validate emails' button and the email addresses in the 'Emails' field.

To cancel the invitation(s), click on the box next to the email address(es) to select the email addresses that need to be cancelled or click on “**check all emails**”. Click on “**Cancel invitation(s)**” in order to cancel the invitations you sent to the participant(s). The licences will automatically return in your remaining licences.

The image shows two identical screenshots of a web interface. Each screenshot has a light yellow background. At the top, there is a light pink box with the following text: "Following email(s) already received a licence but the language assessment has not been started yet. Do you want to cancel the previous invitation(s)? (You will have to click on 'Validate emails' to be able to send the new invitation(s))". Below this, there is a white box containing a list of email addresses: "example1@domain.com" and "example2@domain.com". To the right of each email address is a checkbox. In the first screenshot, the checkbox for "example1@domain.com" is checked, and the checkbox for "example2@domain.com" is unchecked. In the second screenshot, both checkboxes are checked. Below the list of email addresses, there is a blue button labeled "Cancel invitation(s)" and an orange button labeled "Remove". To the right of these buttons, there is a label "Check all emails" followed by a checkbox. In the first screenshot, this checkbox is unchecked, and in the second screenshot, it is checked.

Once you have cancelled the invitation, the email address(es) concerned will disappear from the pop-up and still appear in the invitation box.

To **send a new invitation** to this/these email address(es), click on **Validate Emails** and follow the steps explained previously at section **3.1. How to allocate assessment licences to participants**.
