Government of Ireland Academic Mobility call 2017

Gerry O'Sullivan and Patricia Tutty
Higher Education Authority

Gresham Hotel, O'Connell Street, Dublin
Tuesday 24 October 2017

**Summary of
the criteria**

**Demonstration of
the application
form**

**Background
to the call**

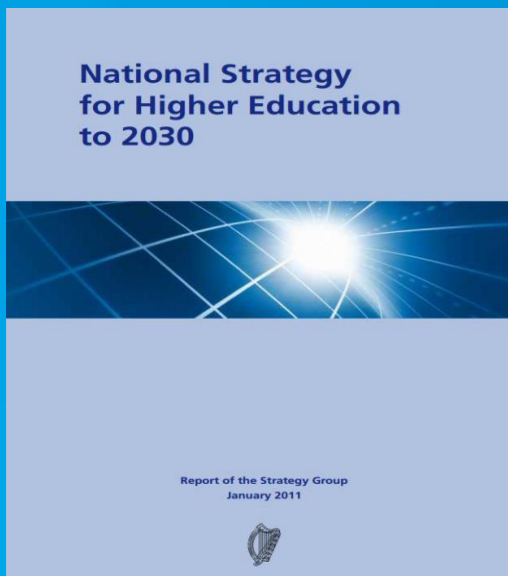

**Some
practical
advice on
your
submission**

**Q & A
session**

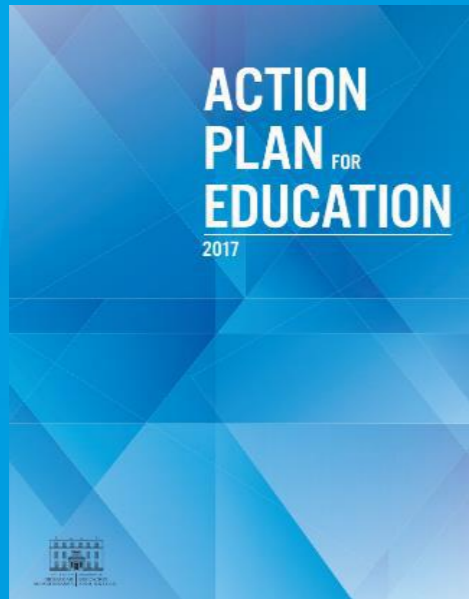

Background

- Plan to introduce specific funding dedicated to Staff mobility outlined in “**Irish Educated, Globally Connected**”
- Unique strengths of each Irish HEI as a means of delivering their Internationalisation strategy
- Complementarity with EU funded programmes such as Erasmus+, Horizon 2020

- Outward Staff mobility identified as key to achieving balanced and sustainable Internationalisation in **National Strategy for Higher Education to 2030**
- Internationalisation of the curricula through the mechanism of mobility, including professional experience

- Recommendation to draw upon International best practise as a mechanism to improve the quality of teaching and learning in higher education

- **Ireland National Skills Strategy 2025** identifies the importance of the mobility of Irish students, staff and researchers in assisting the development of language and other core skills
- Connectivity between regional industries and the wider world via the Irish education system by forging crucial global relationships and building international outlook and awareness

HEA-HEI Strategic Dialogue process

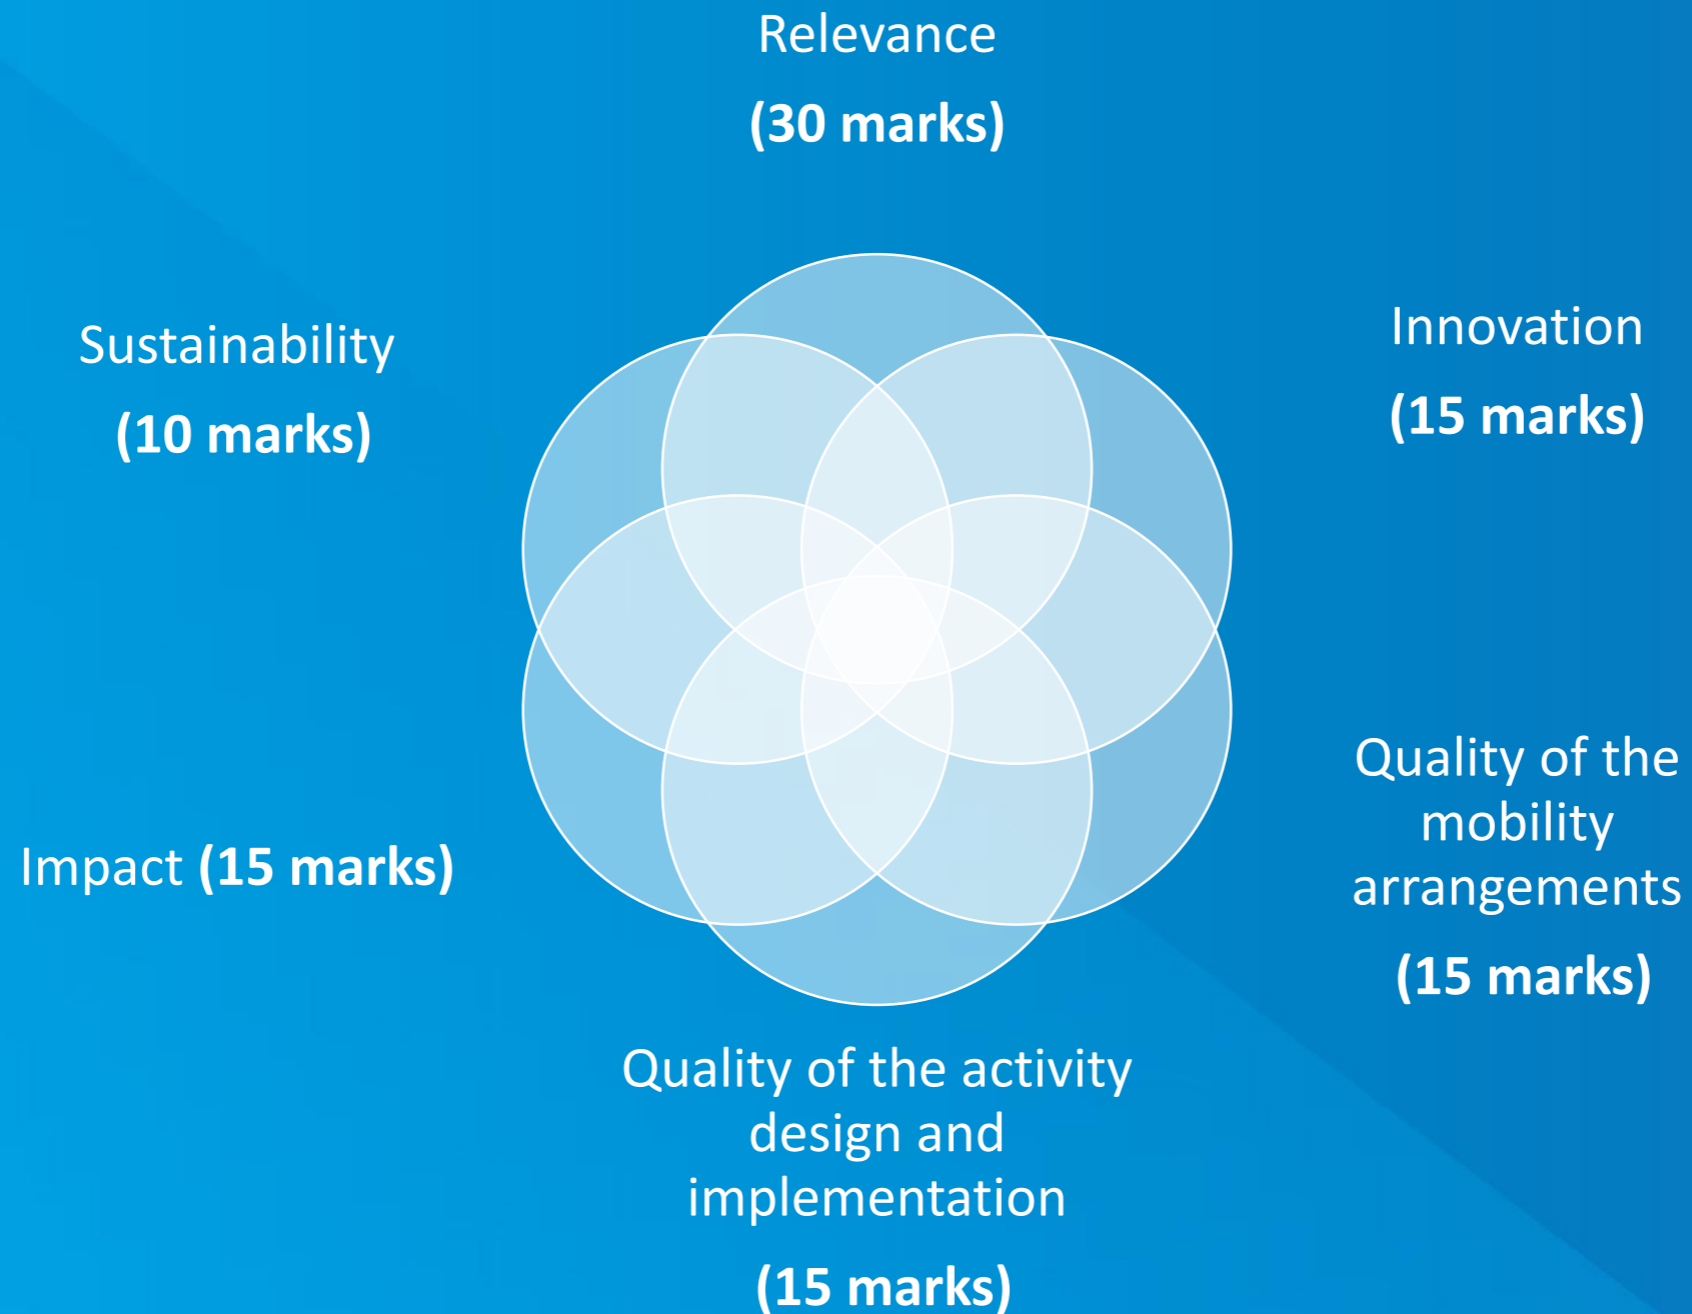

- Internationalisation-one of seven pillars of the HEA-HEI compact
- Targets set out by HEIs in their compacts look to augment Internationalisation of Institutions through mobility of staff as well as students

Eligibility

- Staff categories- teaching, technical, management and administrative
- Activities - aim is to support collaborative activity
- Destinations- applications to high priority markets are encouraged
- Duration- 5 days to 60 days(excluding travel days)
- Costs- €160 per day plus economy air fare (higher rates may be considered)

Selection criteria

Some practical advice on your submission

- **Be specific!** Assume your evaluator is unfamiliar with proposed project/Institution
- **Be relevant!** Refer to your HEI's strategies
- **Be clear!** Outline the potential for longevity & sustainability of funding for the proposed project

And remember.....One project per application form and lastly avoid acronyms
