### Consortium Management

Please describe your consortium management with reference to, for instance, pooling and sharing of tasks/resources within the consortium, setting up of inter-institutional agreements with transnational/international partners, finding host organisations/enterprises and preparing learning agreements or mobility agreements with participants if it offers an added value compared to organising it individually by the HEIs members of the consortium.

Who will provide such preparatory activities?

### Roles

How do you intend to cooperate and communicate with your consortium members and other relevant stakeholders? How will monitoring arrangements be put in place for participants during their mobility periods? Who will monitor their mobility programme and progress?
